2022-11-27	1930	Culture & Society	<b>Madame Tussaud's: The Full Wax</b>	<b>Premiere</b> Madame Tussaud's: The Full Wax		0	There's only one way to really know you've made it as a celebrity - and that's to be immortalised in wax. Once you've been installed into the hallowed halls of the 200-year-old Madame Tussauds, you can be sure the public adore you - at least while you remain on display. Madame Tussauds is one of the UK's most loved and enduring visitor attractions and has always been a barometer of popularity. Welcoming in over 2.5 million guests a year, this global entertainment behemoth, with 23 attractions in 12 different countries, allows the public to get up close and personal with their idols. But deciding who the public most want to get close to and bringing them to life in exquisite wax detail isn't easy - and the stakes are high. Get it right and fans will flock to the figures, get it wrong and hundreds of thousands of pounds and hours of skilled craftsmanship will be wasted. These decisions and their execution are at the heart of Madame Tussauds' continued success. Now, for the first time in its long history, the business opens its doors for viewers to reveal exactly what goes into working out who's hot and who's not.	UNITED KINGDOM	English-100	2021		M		Y		Y

2022-11-29	2140	Politics & Current Affairs	<b>Ukraine: Life Under Russia Attack</b>	<b>Premiere</b>	Ukraine: Life Under Russia Attack	2022		0	When Russia began its attack on Kharkiv, Ukraine's second-largest city, in February of 2022, many people expected the city to fall in days. But the Ukrainians refused to surrender. Ukraine: Life Under Russia's Attack offers a dramatic and intimate look inside the Russian assault on Kharkiv, told by the people living through it - the displaced families trying to survive underground, the civilians caught in the fight, and the first responders risking their lives to protect them. Filmed on the ground over the first three months of the war in Kharkiv, a city just 25 miles from Russia, the documentary is filmed, produced, and directed in Ukraine by Mani Benchelah and Patrick Tombola with producer Volodymyr Pavlov, with additional direction by Teresa Smith and executive production by Oscar-nominated filmmakers Ben de Pear and Edward Watts, and Oscar-winner Cate Blanchett. In vivid and indelible scenes, the documentary tells the story of the battle for Kharkiv through the experiences of those who stayed in the city, despite the ever-present threat of the war.
