2022-12-04	1930	Archaeology	Treasures Of Cyprus	Premiere Treasures Of Cyprus		0	The island of Cyprus lies between the continents of Europe, Asia and Africa and, as such, has often been desired as a strategic location by many different powers through history. Bettany Hughes explores the legacy of these diverse influences on Cyprus through four of its unique treasures. According to mythology, the goddess Aphrodite was born from the sea and came ashore on Cyprus' Petra tou Romiou beach. Bettany explores the origins of these myths and her worship on the island, starting with a visit to Aphrodite's main sanctuary at Palaepaphos, where she discovers a surprising incarnation of the goddess. Through fascinating 3D scanning of newly discovered Bronze Age objects from a site at Hala Sultan Tekke, Bettany unravels foreign influences, from across the waters to the East, which might have shaped Aphrodite's later cult. And, at Nea Paphos, Bettany explores an underground niche where mysterious rituals may have taken place.	UNITED KINGDOM	English-100	2022		PG		Y		Y

2022-12-08	1100	History	The Shape Of History	Premiere	Shape Of History, The		0	Renowned for his iconic and emotive sculptures in bronze, the internationally acclaimed sculptor and artist Rowan Gillespie has just been commissioned to create a very special project- a set of sculptures for Hobart's waterfront in Tasmania, depicting and honouring the untold story of the Irish female convicts and their children who came to Hobart Town from Ireland. From 1803 to 1853, almost 13,000 convict women, together with more than 2,000 children, arrived in Van Diemen's Land, with countless more perishing during the long and arduous sea journey from Ireland to Tasmania. In this fascinating documentary, the cameras will follow Gillespie as he visits Hobart to begin his research and immerse himself in the details of the project. During his time there he will visit the brutal sites these women would have found themselves in after arrival, such as the Sarah island penal station in Macquarie Harbour and the Cascades Female Factory, a bleak workhouse for the newly arrived female convicts. 2022-12-08	1935	Culture & Society	World's Most Scenic Railway Journeys	New Episode	Colorado To Utah, USA	04	7	Starting a mile above sea level in Colorado's state capital Denver, our train, the Rocky Mountaineer makes its way through wild west country to Moab in the state of Utah. On the way we mine for gold, just as the first 'fifty-niners' did in the mid-19th century. At almost 12,000 feet we ski the continental divide, where any water falling to the west heads to the Pacific and any to the east the Atlantic. Entering the red rocks of the true wild west, we pay homage at the grave of Doc Holliday - the Dentist-turned-gunslinger. At the once thriving town of Cisco, we meet one of the last four residents, whose town died when the railroad switched to diesel, and the trains no longer stopped for water. Just before our train gets to Moab, we go in the water ourselves to white water raft down the mighty Colorado River.	UNITED KINGDOM	English-100	2022		PG		Y
