2023-03-03	1615	Health, Science & Technology	<b>We Hear You</b>	<b>New Episode</b>	We Hear You		0	Created and produced by people with hearing loss, We Hear You tells the story of four women battling the stigmas and the challenges of hearing loss, the invisible disability that impacts 430 million people worldwide. When you have hearing loss, conversation is like a game of Wheel Of Fortune. Some of the letters are blank. Others are filled in. We take these incomplete sounds and put them into phrases that make sense in the context of the conversation. It doesn't always work, leaving people with hearing loss isolated and alone. The pandemic makes this worse, as masks take away our superpower - lipreading. We struggle to fit into the hearing world, yet there is a silver lining - meeting one another. We Hear You shines a light on the hearing loss experience. It shows a more inclusive world - one that is built for us too. It shatters stigmas of hearing loss that linger, even in our own community. It highlights the ways people with hearing loss rise to advocate and build a better world for us all.	USA	English-80; Spanish-20	2021				Y

2023-03-04	2630	Documentary Feature	Some Kind Of Heaven				0	America's seniors have discovered the fountain of youth. It's in The Villages - America's largest retirement community in Florida. Referred to as the 'Disneyland for Retirees', The Villages is home to over 130,000 seniors, and offers residents a utopian version of the American yesteryear - wide, safe streets, perfectly manicured lawns, and countless activities all in service of enjoying their golden years. Behind the gates of this palm tree-lined fantasyland, Some Kind Of Heaven invests in the dreams and desires of a small group of residents - and one interloper - who are unable to find happiness within the community's pre-packaged paradise. With strikingly composed cinematography, this candy-coloured documentary offers a tender and surreal look at the never-ending quest for finding meaning and love in life's final act and challenges our stereotypes on ageing and community.
