An ill-fated 19th-century railway crossing had previously existed over the Severn, but it was demolished in the late 1960s after a number of fatal accidents. 2023-03-29	2130	Culture & Society	Ruthless: Monopoly's Secret History	Premiere	Ruthless: Monopoly's Secret History		0	For generations, Monopoly has been America's favourite board game, a love letter to unbridled capitalism and - for better or worse - the impulses that make our free-market society tick. But behind the myth of the game's creation is an untold tale of theft, obsession and corporate double-dealing. Contrary to the folksy legend spread by Parker Brothers, Monopoly's secret history is a surprising saga that features a radical feminist, a community of Quakers in Atlantic City, America's greatest game company, and an unemployed Depression-era engineer. And the real story behind the creation of the game might never have come to light if it weren't for the determination of an economics professor and impassioned anti-monopolist. Part detective story, part sharp social commentary and part pop-culture celebration, Ruthless: Monopoly's Secret History presents the fascinating true story behind America's favourite game.			0						Y

2023-03-31	1100	History	The Shape Of History	Shape Of History, The		0	Renowned for his iconic and emotive sculptures in bronze, the internationally acclaimed sculptor and artist Rowan Gillespie has just been commissioned to create a very special project- a set of sculptures for Hobart's waterfront in Tasmania, depicting and honouring the untold story of the Irish female convicts and their children who came to Hobart Town from Ireland. From 1803 to 1853, almost 13,000 convict women, together with more than 2,000 children, arrived in Van Diemen's Land, with countless more perishing during the long and arduous sea journey from Ireland to Tasmania. In this fascinating documentary, the cameras will follow Gillespie as he visits Hobart to begin his research and immerse himself in the details of the project. During his time there he will visit the brutal sites these women would have found themselves in after arrival, such as the Sarah island penal station in Macquarie Harbour and the Cascades Female Factory, a bleak workhouse for the newly arrived female convicts.
