2023-04-08	2125	History	Wuthering Harlots		Pride And Prostitution		0	In the Eighteenth Century, London was the biggest city in the world - a global centre for trade, manufacturing and industry. Bigger and richer than ever before there was money to spend - and much of that money was spent on sex. The capital was a hotbed of prostitution and promiscuity upon which tens of thousands of women and girls worked. This docudrama offers a scholarly yet sensational romp through the brothels, bordellos, bath-houses, and baronial bed chambers of the capital, with eye-opening accounts, from the time, anecdotes, rich and vivid illustrations and rousing dramatic reconstructions with a narrative featuring recurring characters.
