To date, this ornate chariot is the first of its kind to be discovered. Alongside the many scientists who took part in the campaign to restore the chariot, we return to ancient Rome in order to put the chariot in context. What could have been its use? How may have vehicles evolved during this time? What would traffic have looked like in the streets of Pompeii? Was owning a chariot and horses still a sign of social prestige? 2023-06-09	2035	Biography	Nothing Compares: Sinead O'Connor	Premiere	Nothing Compares		0	Nothing Compares: Sinead O'Connor charts Sinead O'Connor's phenomenal rise to worldwide fame and examines how she used her voice at the height of her stardom before her iconoclastic personality led to her exile from the pop mainstream. Focusing on Sinead's prophetic words and deeds from 1987 to 1993, the film presents an authored, richly cinematic portrait of this fearless trailblazer through a contemporary feminist lens. The archived documentary features era-defining music videos and concert performances alongside previously unseen footage from this period. The film is underpinned by a new interview with Sinead herself, in which she reflects on events in her own words, and from a present-day perspective. Intimate first-hand contributor interviews add to the tapestry with additional insights from contemporary artists, musicians and social commentators introducing broader themes of Irish history, politics, and global activism, all the while reflecting on Sinead's artistry, impact, and legacy.
