2023-07-30	1730	History	Hitler's Holy Treasure	Hitler's Holy Treasure		0	The year is 1945. The war is almost over. The Allies occupy Germany, where most Nazi dignitaries have either killed themselves or been captured and are about to be tried. The world order is undergoing a reshuffling in the aftermath of the war. It is in this context that an American soldier and specialist of medieval sacred art is tasked with a most dangerous mission: he is given three weeks, until the Nuremberg trials, to solve a mystery in order to contribute to the end of the Third Reich and at the same time return the relics of the Holy Roman Empire. After the coronation, the two young heirs to the throne disappear from the face of the earth. Have they been kidnapped or murdered? The new King Richard III remains silent on the matter. But the doubts about his accession to the throne remain. In the 17th century, bones are found during building work, confirming the old suspicion against Richard III as a child murderer. What happened to the two boys in the Tower? A cold case from the age of the knights in England, in which numerous new clues have been found in recent years. 2023-08-02	1600	History	Scotland, Slavery And Statues	Scotland, Slavery And Statues	0	The death of George Floyd in the US sent shockwaves across the world. The Black Lives Matter movement intensified. And Scotland was not getting off lightly. The epicentre of this was in Scotland's capital city, Edinburgh. A 150-foot statue of Henry Dundas ignited a fiery debate in 2017 that continues to this day. Henry Dundas, a Scot, was one of the most influential 18th century Tory politicians who held powerful roles during the height of the British Empire. This documentary follows the deeply personal debate over how Dundas should be acknowledged on the monument. It shows the twists and turns of this four-year story including how Scotland's debate triggered a debate in Canada on renaming Toronto's Dundas Street, and how the toppling of Bristol's Colston statue impacted on decisions made in Scotland. How will Scotland as a country come to terms with its long and often hidden involvement in slavery?	SCOTLAND	English-100	2020	RPT	PG		Y
